Important Notes:

Please remember that the CDP is funded primarily as a consultative program. We are not able to provide full Assessment services to clients that already have access to a Speech-Language Pathologist (SLP) and/or an Occupational Therapist (OT)

When an SLP or OT are available, please have them complete the required & requested paperwork as appropriate.

When no SLP or OT are available, please have someone on the clients healthcare team complete the appropriate paperwork. This could include; Doctor, Social Worker, Nurse or Nurse Practitioner, Allied Health Professional, etc.

When submitting a referral, to expedite the process, please include all of the listed "Required Paperwork" as well as any available "Requested Paperwork".

Incomplete paperwork *may* be returned to you for completion.
