To all DLC Employees, Patients, Residents and Families,

At the end of December 2020, you were notified of a COVID-19 outbreak Lodge 4 East – Geriatric Rehabilitation. We are pleased to inform you that this outbreak has now been declared over.

We understand this is a stressful time for everyone and I would like to thank you for support and patience. We are grateful to our employees for their excellent care and their commitment to keeping patients and residents safe.

These precautions continue to be in place for the time being:

- Visitation to Lodge 4 East continues to be suspended. Our Family Connect Virtual Visit Program is available for those who cannot visit in person. If you would like to schedule a Virtual Visit or if you have questions or concerns regarding visitation, please contact our Patient & Resident Inquiries Hotline at 204-831-1760. You may also send us an email to [info@deerlodge.mb.ca](mailto:info@deerlodge.mb.ca).
- New admissions to the unit continue to be suspended.

Sincerely,

Kevin A. Scott  
Chief Operating Officer
