DEER LODGE CENTRE NEWSLETTER

Honouring their Sacrifice

DLC has a long and proud history of caring for and supporting the needs of Canadian Forces and Veterans. To commemorate Remembrance Day, Tower 4 has made Tribute Walls to honour Veteran Residents of the past and present. Unit Manager, Lauren, and Recreation

Facilitator, Gina, spent time gathering, reorganizing and framing photos to create one wall dedicated to current unit Veterans and another dedicated to those who came before.

"Tower 4 Veterans love to visit the walls and share their experiences with families and staff. Although it was a small gesture to display our gratitude, I feel it has had a great impact on many of the residents and staff." ~Lauren

Remembrance Day Service
November 11 at 2:15pm
Main Street

We are pleased to honour Veterans with a Remembrance Day Service on Main St. once again. Although it will be a larger gathering than last year, please note it is **open only to patients, residents and families** and is not a public event. Thank you. 

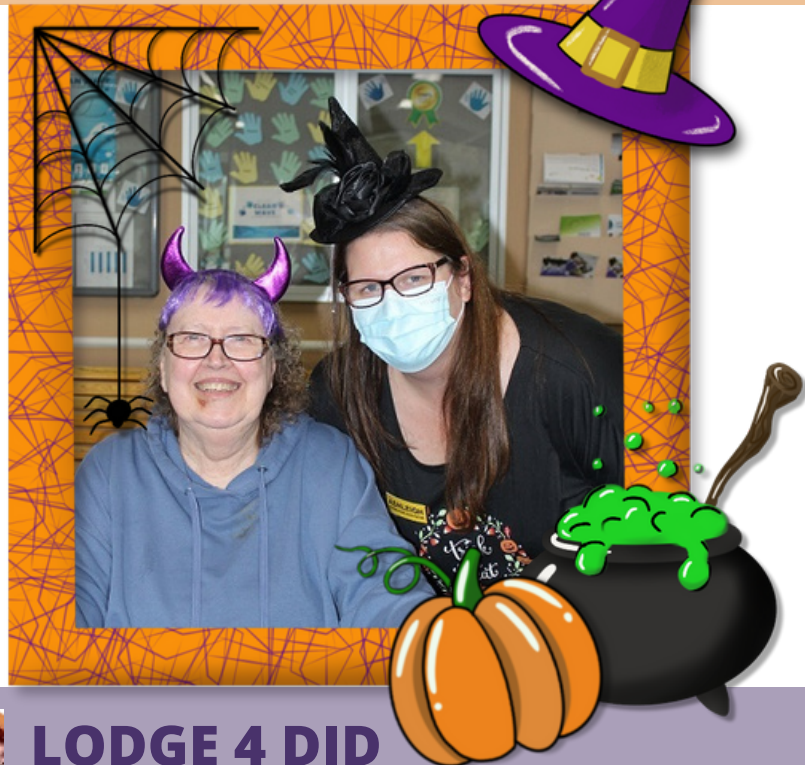

GOOD TIMES, GREAT CAUSE

The DLC Foundation / United Way campaign was a big success again this year. Fun games, fabulous prizes and spooky treats were all we needed to raise money for two great charities!

Thanks to everyone who joined in to show their support!

LODGE 4 DID IT AGAIN!

The Halloween Costume Parade was a hit! There were some very creative costumes out there! Lodge 4 did not disappoint and entertained us with a rockin' performance of Greased Lightning! Click to your left to watch!

Do you have a good news story that you would like featured in The Bulletin? We'd love to hear about it! info@deerlodge.mb.ca

ACHIEVING EXCELLENCE

We are proud to tell you that Sarah Chester has received an Award of Excellence from the Canadian Healthcare Housekeeper's Association! Housekeepers are integral members of the healthcare team - they work diligently every day to keep Deer Lodge Centre sparkling and safe. Thank you to Sarah and to the Housekeeping Department!

IT'S ETHICS WEEK!

Ethics Week serves as an opportunity for all of us to consider the ways ethical questions impact our work. We are all confronted with ethical dilemmas - the DLC Ethics Committee helps teams work through issues so that all decisions are ethically made. Visit the display on Main St.!

DLC Ethics Committee

COMPASSION IS THE CALLING CARD

DLC's own Deborah Martens, Spiritual Health Practitioner, contributed to a very thoughtful and informative [article featured in the Winnipeg Free Press](#) to mark Spiritual Health Awareness Week Oct. 16-22. We appreciate the care and support SHP's provide to patients and residents every day. Well done, Deb!

From Visitation Guidelines to Recreation Calendars, the DLC website is full of helpful information. [Check us out online today!](#)

SUPPORT THE

DEER LODGE CENTRE
FOUNDATION

**50/50
DRAW**

Your support will ensure that our residents, Veterans, and patients receive the cutting-edge care that they deserve.

DO YOU KNOW ABOUT THE WELL WISHES PROGRAM?

The Well Wishes Program provides an opportunity for patients and residents to receive special thoughts and best wishes from family and friends. DLC Volunteers are happy to deliver “Well Wishes” on a daily basis. Send some encouragement today - [send a Well Wish!](#)

**We will remember
them.**
